

Dr. Joseph Mercola

Dr. Joseph Mercola is an osteopathic physician who believes that proper nutrition, not medicine, is the key to good health. He seeks to treat the whole person, not just the symptoms. He offers you practical health solutions without the hype.

He Graduated medical school from Chicago College of Osteopathic Medicine in 1982. He has treated over 25,000 patients as family physician and founded Mercola.com in 1997, the world's most visited natural health site for the last 12 years.

He has authored three NY Times bestselling books but his fourth best seller will be out in May 2017 and focuses on optimizing mitochondrial strategies with nutritional ketosis.

He has had articles published in Time, Forbes, USA Today, Wall Street Journal, NY Times, LA Times, Chicago Tribune and many other periodicals and has also been interviewed on CNN, Today Show, ABC World News, Fox, CBS, The Dr. Oz Show, The Doctors and a large variety of TV and radio shows.

Dr. Mercola was named by the Huffington Post as the "Ultimate Game Changer in Wellness" in 2009.
