

## Dr. Daniel Pompa, D.C.

**Dr. Daniel Pompa, D.C.**, is a global leader in the health and wellness industry, having traveled across the country for the past 15 years educating practitioners and the public on the root causes of inflammation driven diseases such as Weight Loss Resistance, Hypothyroid, Diabetes, Chronic Fatigue Syndrome, Autoimmune Disorders and other chronic conditions.

His authority today is rooted in his own personal battle, having overcome serious neurotoxic illness using the tools and strategies included in True Cellular Detox™. At the core of his own recovery, True Cellular Detox™ passionately fuels his mission and is changing lives around the world. Dr. Pompa's multi-faceted approach to cellular healing is a key factor in his practitioners' coaching program, wherein he teaches practitioners' cutting edge methods to transform clients' health and lives. He is also the host of Cellular Healing TV, watched throughout the world via the Internet, and co-host of Health Seekers radio, a nationally syndicated radio show.
